<b>Dimensions</b> (l x w x h):	1.14 x 1.20 x 2.33 m (45 x 47 x 92 in) 1.55 x 1.55 x 2.33 m (61 x 61 x 92 in) (wheelchair accessible)
<b>Weight:</b>	80.00 kg (176.5 lbs)
<b>Transport:</b>	with a special loading carrier

## Applications

Extremely sturdy chemical toilets that are ideal for use by audiences, backstage and in camping areas at large events such as festivals and sport. The capacious 250-liter tank provides longevity whilst requiring less cleaning.

## Features

Each standard unit comes equipped with toilet seat, waste-holding tank, urinal, paper holders, mirror, coat hook and slip-resistant plastic flooring. The translucent, curved top provides full headroom and brightness inside the cabin. The self-closing door is lockable from the inside and outside and features an "occupied/available" display. In addition to the standard model, our product range also features a wheelchair-accessible version with comfortable access and a spacious interior with extra handles. The loading and unloading of the chemical

toilets is done by forklift truck. An integrated pallet on the bottom of every toilet provides the necessary stability.

## Optional Extras

Our rental service includes delivery and collection, using specialist vehicles. Each unit also comes with a complete supply of consumables like toilet paper and paper towels. For long-term rental periods a weekly deep cleaning is included in the rental cost, with additional more frequent cleaning available upon request.
