Practical, design-conscious solutions for temporary event spaces

## Applications

eps develops and supplies tailor-made furnishing concepts for a multitude of event location and occasion. Whether for a dinner or anniversary celebration, exhibition opening or company event, panel discussion or press reception, eps has a furnishing solution.

We offer a wide range of high-quality furniture suitable for both indoor and outdoor use. This includes office furniture; catering and kitchen equipment; furnishings suitable for conferences and seminars; banqueting and bistro furniture, including rental crockery; dressing-room furnishings; comfortable upholstered seating; and designer furniture.

## Features

eps offers a wide variety of furniture, décor, and other interior accessories and soft furnishings. We owe our vast product range to longstanding relationships with our partner companies throughout Europe.

eps's team of expert CAD designers and project managers can work with you to plan the optimum internal layout for your event.

## Optional Extras

For events that require additional event space, we also provide tents and containers, including sanitary systems, that can be rapidly deployed.

eps offers CAD design to help expedite and optimize the planning process.
