## Applications

Our high-quality Portable Flagpoles are ideal for displaying vertical flags, decorative banners, advertisements, and sponsorship logos. They can also be used to mark entrances, escape routes, restrooms, and other points of interest. With their sturdy, rust-proof finish, they are suitable for both indoor and outdoor use.

## Features

eps Portable Flagpoles are constructed from non-corrosive aluminum and have a smooth, coated surface that repels dirt. Each unit comes with a base, a mast cap, and an adjustable horizontal rod to suspend flags or banners from, as well as guide rings and flag weights to hold flags in place. For added stability, the base features four adjustable feet. Flagpoles are available in either hoistable or non-hoistable models.

## Optional Extras

eps also offers delivery, installation, breakdown, and collection. We can also provide custom-printed flags and banners.
