Applications

We offer a wide range of stackable chairs, including Object and Shell chairs, for conferences, banquets, and other large-scale events.

Features – Object Chair

This comfortable chair features an upholstered seat and backrest and can be assembled in rows using special chair clips. We also offer this model with a fold-away desktop and armrests.

Features – Shell Chair

These chairs snap together with the aid of chair clips, making them unusually quick and easy to install. We also offer this model with an upholstered seat and flame-retardant (B1) certification.

Optional Extras

Upon request, we offer delivery and set up, as well as tailor-made cushions, and custom waterproof seat numbers and block signs. We can also provide CAD-based site plans to help you make the most of the available space while meeting safety regulations.
