

# Rental Furniture and Decor

Custom interiors for every occasion

We offer a wide variety of furniture, décor, and other interior accessories. Our team of expert CAD designers can also work with you to plan the interior layout for your event, and our project-management staff can help you apply for any needed permits.

Among our offerings are:

- ▶ Office furniture
- ▶ Catering and kitchen equipment (including rental crockery and dishes)
- ▶ Conference and seminar furniture
- ▶ Banquet and restaurant supplies
- ▶ Upholstered chairs
- ▶ Designer furniture
- ▶ Dressing room furniture
- ▶ Decorative items
- ▶ Carpets and other floor covering
- ▶ Plants

You can either pick up furniture directly from our warehouses or opt for our full-service package, including delivery, set up, breakdown, maintenance, and cleaning. Upon request, we can also provide on-site technical managers to coordinate furniture installation.

If you are unable to find the ideal location for your event, eps can provide a completely portable infrastructure, including structures, such as tents and containers, and sanitary systems.
