

Touring equipment

Practical furnishings and appliances for catering and wardrobe areas

We offer professional-level tour equipment for catering and backstage areas. All of our products—from fans to refrigerators—are delivered in custom-made road cases optimized for damage protection ease of loading.

Refrigerators and freezers are available in several sizes and offer storage space for every food and beverage requirement. They feature refrigeration control, interior lighting and condensation drainage.

Our twin-basin stainless steel sinks have a counter surface for washing large quantities of dishes. They feature integrated hot water heaters, freshwater and gray-water connections.

We also feature handwashing basins with integrated wastewater outlets in alloy steel with integrated water heaters.

Our air-circulation fans ensure cooling on hot summer days. They are stable, height-adjustable, feature low-noise operation and come with four speed settings.

Indispensable for every event are fire extinguishers that are reliable and appropriate for all standards. We have class B carbon dioxide extinguishers (CO₂) as well as ABC powder extinguishers.

Additional equipment:

- ▶ First-aid kits meeting DIN 13169 standards
- ▶ Cable, cable drums and adapters
- ▶ Waste bins, brooms and much more
- ▶ Consumables such as cable straps or gaffers tape.

Touring equipment

Practical furnishings and appliances for catering and wardrobe areas

Wash basin	small	large
Material	alloy steel	stainless steel
Version	1 faucet combination of 1 hand wash basin and 1 industrial wash basin	1 faucet 2 sinks 1 drain board
Inlet water	Geka coupling	Geka coupling or screw thread
Waste water	50 mm (2 in) HT German standard connections	

Refridgerator Snaige CD-290	
Doors	Glass with variable right-hand opening
Dimensions	height: 145 cm (57 in) width: 60 cm (23 in) depth: 60 cm (23 in)
Volume	290 l
Electrical demand	230 V/160 W
Temperature	-2 °C to +12 °C (28.4 °F to 53.6 °F)

Freezer	RWA 320 CHV/V	Liebherr GTL 4905
Material	Sliding glass	Toploader
Dimensions	height: 82 cm (32 in) width: 110 cm (43 in) depth: 60 cm (23 in)	height: 145 cm (57 in) width: 60 cm (23 in) depth: 60 cm (23 in)
Volume	268 l	461 l
Electrical demand	230 V, 224 W, 2,6 kW	220 -240 V, 50 hz
Temperature	-18 °C to -24 °C (-0.4 °F to -14.8 °F)	

Fire extinguishers	ABC powder	CO ₂
Fire protection class	Classes A, B, C	Class B
According to DIN EN 3		
Content per case	8 x 2 kg (4.5 lbs) fire extinguishers	8 x 5 kg (11 lbs) fire extinguishers

Fans Rowenta VU5540 Turbo Silence	
Dimensions	height: 110-140 cm (43-55 in) diameter: 40 cm (15.75 in)
Electrical demand	220-240 V, 70 W
Content per case	4 fans

Consumables:

6-fold plug
strip with
switch

First-aid-kit

Bucket

Broom
