PRODUCT PROFILE

Our Seated Grandstand is a modular construction system, certified with a valid inspection report and fully compliant with current regulations. Highly flexible, it can be tailored to meet a wide range of requirements. The self-locking plug-in system offers a distinct advantage over alternative solutions, thanks to its exceptionally fast and quiet assembly. Optimized space utilization allows for increased seating capacity with premium views. The Grandstand is approved for use both outdoors and indoors.

HIGHLIGHTS

- Certified to the highest international standards
- Modular, highly adaptable system for optimal space utilization
- Supports both seated and standing configurations for high spectator capacity
- Fast and quiet assembly thanks to a self-locking plug-in system

OPTIONAL EXTRAS

- Choice of seating shells or benches
- Padded seat cushions and seat numbers
- Screening materials
- Comprehensive services, e.g. project management, CAD planning, logistics, assembly and dismantling
